CAVERAL, FL

Wednesday

Feb. 19th

9 AM – 11:30 AM

Kyle Pollard & Tony VanDette

Benjamin Moore Paints

Gene Ponder

Vice President | Vice Painting, LLC

Successful Painting Projects

Learn the vital steps that need to be taken during a large-scale repainting project. We will cover the bidding process, selecting the correct contractor and paint products, and project management of the repaint.

Paint Technology Chemistry & Performance

Vertical Concrete Masonry Training

This session will also cover why it's so important to choose the proper product and have a Scope of Work (SOW) for the painting contractor.
