

Space Coast Communities Association

Serving Central Florida Home Owners, Cooperative, Timeshare, and Condominium Associations

Competitive Bids, Fair Contracts, & Board Accountability

Monthly Meeting

RADISSON RESORT AT THE PORT
JAMAICA ROOM
8701 ASTRONAUT BLVD CAPE
CANAVERAL, FL

Wednesday

April 15

9 AM – 11:30 AM

Eddie Holliday
Donna Arceneaux

Practical strategies for evaluating both existing coax systems and newer fiber-optic telecommunications options, helping boards and managers understand how infrastructure choices impact cost, reliability, and long-term community value.

The presentation will also cover new Florida laws requiring community associations to obtain competitive bids for telecommunications services as part of their fiduciary responsibilities. Attendees will learn how proper bidding processes promote transparency, secure fair contracts, and help avoid higher costs, disputes, and potential legal or financial risks.
